Dilboy Post Gives \$3000 To Hospital

Two wards of the new Lawrence F. Quigley Memorial Hospital in Chelsea will be equipped with beds as gifts of the George Dilboy Post, V. F. W., of Somerville.

This was revealed yesterday afternoon when Commander Frank J. DiCiacio of the Dilboy Post presented a check for \$3000 to Hospital Commandant John Y. Quigley in the auditorium of the Soldiers Home, with more than 300 members of the veterans present. At the same time Commander DiCiacio pledged another \$2500 which he said the post will raise in the next 30 to 60 days.

The \$5500 will purchase 40 new-type hospital beds and foam rubber mattresses, which will be placed in two wards of the new hospital which was completed last May. Before the presentation was made the members of the post were taken on a tour of the hospital.

The above is of interest not only to the Arlington veterans, who are members of the Dilboy Post, but to many others who are interested in hospital work and the maintenance of hospitals.

Cub Scout News

Mr. Schmidt new Cubmaster at Peek 7 St. Agnes Cub Scouts had a very interesting program arranged for the Cubs at their recent Pack meeting. The meeting opened with prayer and salute to the flag and each boy recited the Cub pledge and oath. Awards were given as follows: Gold and Silver Arrow for Wolf Michael Bowser

only does she help children and has given them so much pleasure in her home, but her son, whom we love, John Starr, has raised money for folks and children who needed aid, when they had sickness, and besides he entertains in the Veterans Hospitals, never complaining.

We think folks like them, should get a little praise once in awhile, as they had never been asked to do these kind deeds, they plan them all themselves, and pay all the expenses, like the Silver Tea they had a few weeks ago, for the two crippled children, in East Arlington. Her name is Mrs. Craig

Tea Honors Miss Giden

A large group of women gathered at the home of Mrs. Alexander Samoiloff of Winchester Wednesday morning, May 3, for a coffee party to honor Miss Frances Giden, a young college woman who is visiting Boston in the interest of the Cerebral Palsy Association.

Miss Giden, an adult who has been handicapped with cerebral palsy since birth, started school at the age of 8 at which time she had to be carried because of her motor involvement. Through all her schooling she had to take examinations orally because she could not write or print. In the early years this was further complicated by the fact that she could no pronounce words and had to spell out each word.

She now holds an A. B. degree from Hunter College, and A. M. from New York University and has been admitted to the New York State and Federal New York State Southern District Bars. She has had five years work experience at the Federation of the Handicapped in New York City and the Institute of Logopedics in Wichita, Kansas. Her story of how she has been able to live a normal life proved fascinating to her hearers.

Bob Hope is the national chairman of the educational campaign which opened May 1, to inform the public of the facts concerning the causes and effects of cerebral palsy and more important, the possibilities of the rehabilitation of these sufferers to a happy and useful place in their communities.

Among the distinguished guests present at Mrs. Samoiloff's home for this preliminary meeting of the Winchester Cerebral Palsy Association were Miss Alice Peterson and Mrs. Raymond Holsworth of the District Nursing Association, Mrs. Francis MacFeeley, Boy Scout Director Chief of Police Charles Harold, and the Mesdames Charles E. Greene, William W. Davis, Guy A. Livingstone, J. Gerand Chandler, II, Donald McClain, Harry L. Benson, Harry L. Mueller, Wilfred L. McKenzie, J. J. Michelson, William Supple, George Lange Adolph Samborski, Freeman Hall and Edwin M. James.

Mrs. Charlotte Troutwine, Public Relations Director of the United Cerebral Palsy Association of Massachusetts, spoke and presented a stirring motion picture, "Pioneering American Children" and introduced the guest of honor, Miss Giden.

I WONDER if a little more care shouldn't be exercised by the motor cyclists who speed up and down Mass ave. ???

I WONDER why the sewer in front of St. Jerome's Church has been overflowing ever since Lake street was repaired??

I WONDER just how contagious this wedding business is??

I WONDER where all the dust came from that whirlwind around the town during last Sunday's high winds??

I WONDER how many Arlington people know that a fireboat has been added to the equipment of the Fire Department?? How else was the fire on Spy Pond put out last week???

Opposes Bill

Among a group of 79 Harvard
University Professors and officers
of instruction who recently signed
a petition opposing the Mundt Fer-
guson bill on Communism was As-
sociate Professor R. V. Pound of
Arlington.

The professors oppose the bill
which provides for a three man
commission with arbitrary powers
to brand organizations as Com-
munist and Communist front.

Public Asked To Plan All Mailing

With some postal changes already
in effect and others due to be made
within the next two weeks in all of
the Boston Postal District, the
public are asked to prepare now for
the deposit of mail in accordance
with the regulations and at the new
postoffice hours which go into ef-
fect on May 22nd.

Preferential treatment of so-called
time limit third-class mail is
being discontinued and it will mean
that such churches, civic and frat-
ernal organizations and business
houses who have been depositing
circular rate mail with a deadline
for delivery must now pay the
first-class rate in order to secure
such service.

Postmaster Francis A. Crowley
pointed out that, with collections
of mail from street letter boxes to
be made at an earlier hour, it is
desirable that business firms and
individuals plan to deposit mail in
accordance with the new times,
particularly the last collection which
really should be deposited by six
o'clock in the evening to be assured
of a pick up on the last trip.

With one delivery of mail sched-
uled to be put into operation in
the residential areas as soon as
surveys can be completed, postal
officials ask that the public espe-
cially recognize the urgency for de-
positing mail in boxes before the
last evening collection in order to
assure local delivery the same day.
Letter mail for delivery within the
same delivery district may be
brought to the large box outside
the local postoffice and this mail
will be collected before the car-
riers start on their morning trip.

Only Special Delivery mail will
be handled next Sunday, Mothers'
Day, and special attention should
be given to the mailing of cards
and packages to assure proper de-
livery in view of the new adjust-
ments in postal service. In view of

Fire Damages Transportation Company Here

A Sunday morning fire in the
Cosgrove Transportation Co., 25
Massachusetts Ave., Arlington did
an estimated \$1500 damage, des-
troying about twenty huge truck
tires, a repair bench, twenty four
windows and sent fire and heavy
black smoke 30 feet in to the air.

The alarm of fire was sounded by
a telephone call at 10:16 a. m., but
while one piece of apparatus was
going to the fire a passerby sound-
ed a street box bringing all of
Arlington's apparatus and equip-
ment from Somerville.

The fire started, according to
the new postoffice hours soon to
be put into effect, it is recommend-
ed that the public keep a supply of
stamps at the home and at the
office.

fire officials, in a pile of oily rags,
ignited by spontaneous combustion,
which were burned under a pile
of truck tires outside the south
wall of the building.

The fire shot up through the
tires and when caught by the
strong winds swept through the
windows onto a repair bench in-
side where it ignited cans of paint
and varnish.

Firemen said, as they approached
the scene, it looked as though the
whole building was on fire, for the
heavy black smoke and flame were
shooting skyward.

The all out was sounded at 11:15.

Vandalism At Its Worst

Any type of vandalism is definitely never warranted and is of no benefit whatsoever to those responsible for it, but on the other hand is generally most costly to the owner of objects destroyed or damaged. However, in this writer's opinion, the most hateful and despicable type of vandalism is the destruction of grave stones, memorials of those who have passed on. Just very recently sixty nine monuments were turned over and badly damaged at the cemetery of the Congregational Had Rath Israel of Dorchester, this cemetery located

and bounded by Malden, Melrose and Everett.

It is to be hoped that the culprits when caught should be, regardless of circumstances, given the major penalty, and we sincerely hope that these characters will be rounded up very shortly.

The regular bi-weekly bridge and whist of the Arlington Catholic Woman's Club will be held in American Legion Hall on Tuesday, May 16, at 2 o'clock. Mrs. John J. Cox and Mrs. Bernard Dolan are co-chairmen.

T.V. Show On Mother's Day

The screen and stage success "The Philadelphia Story" will be presented in a special Hotpoint Holiday Hour broadcast on Mothers Day over 175 Columbia Broadcasting System stations, (WEEL in Boston) Colonial Radio T V Co., announced. He is one of 13,000 dealers throughout the country cooperating with Hotpoint Inc., leading appliance manufacturer, in sponsoring this program.

The Holiday Hour cast will include Mel Farrar, John Garfield, Dorothy McGuire, Rosalind Russell, Jane Cowl, Otto Kruger, Margaret O'Brien, and Dick Powell. The program will be heard over WEEL from 6 to 7 p. m. DST.

Mr. M. J. Abizaid of the Colonial Radio TV Co., (1369 Massachusetts ave., Arlington Heights) said this is the third in a series of Holiday features to be followed by other programs on key holidays this year. Previous programs were presented on Christmas and Easter.

Plan Arlington Summer Youth Institute To Be Inaugurated On June 26

This summer the efforts of the Arlington Youth Council, the Guidance Department of the Public Schools, the Park Department and the Arlington Boys' Club are uniting their resources to make available to the young people of Arlington an interesting and creative program to be known as the Arlington Summer Institute.

For those young people who are interested in dramatics, the services of a well trained coach will be available. This course will provide expert training in acting, scenery construction and other technical phases of the theatre. The group, to be made up of junior and senior high school pupils, will probably produce one major play this summer.

A music ensemble group will be conducted at the Arlington Academy of Music where it is planned to organize a summer band and orchestra to play at various functions in the community and if there is sufficient interest, a young people's choral group will be organized. Frank Ward, Director of the Arlington Academy of Music, will be in charge of this phase of the program.

For the advanced music pupils in high school, there will be available a course in theory, harmony and appreciation to be conducted by the well-known musician, Leo Litwin.

Boys and girls interested in arts and crafts will have the opportunity to do work in plastics, leather, and wood under the able direction of Mr. Ralph F. Gioiosa, the shop teacher at Junior High West. Boys and girls will be instructed on alternate days.

Under the supervision of the Arlington Boys' Club, a group of boys will be organized for the purpose of taking trips around Greater Boston to include beaches, historical sites, zoos and parks. During bad weather there will be organized recreational activities or this club, in the club house. James P. Ken-

ealy, assistant at the Boys' Club will be in charge of this activity with two assistants.

High school pupils who are talented and interested in advanced art techniques beyond that which is available in the high school course of study will have the services of Mr. Joseph Coletta of the High School Faculty. It is planned to have this group do some of their work in such art centers as Rockport, Gloucester, and Provincetown.

A course in creative writing, open to high school juniors and seniors will be conducted by Raymond Goodlette, author and instructor in composition at Harvard Col-

lege. Prerequisites for participation in this course will be a grade of "B" or better in English.

The only charge for any of these courses will be a \$2.00 registration fee, with the exception of the music ensemble group for whom there will be no charge.

Courses are scheduled to begin Monday, June 26, and will continue through August 4. Classes and instruction will be held mornings only except for those on trips.

Registration for all courses will open May 15 at the Guidance Office in the High School. Additional information concerning the program may be obtained from there.

Bartlett School Is "Opportunity School"

The Bartlett School at 34 Bartlett Avenue, Arlington, is an "opportunity school" for slight acceleration of pupils having more than average ability. During the past 16 years, hundreds of Arlington pupils who have attended the Bartlett School (Grades I, II, III, IV) have passed successfully all examinations required for promotion into the Arlington schools, thereby saving a year in school.

Norine D. Casey, Director is now testing pupils for admission to Grade I next September. Any child who is five years of age on or before October 1, 1950, is eligible to be tested.

If the test reveals capacity above average, pupils are enrolled for a trial period of six weeks in Grade I to make certain that the pupil is socially and emotionally prepared to do first grade work happily. Pupils working below their level of achievement became inattentive and indifferent and are frequently problems in discipline. Mrs. Casey has six assistant teachers, teacher college graduates of experience.

Transportation is provided! All classes are one session. No charge is made to have the child tested. Call ARlington 5-6024.

Muchnick Seeks Post Of Attorney General

ISADORE Y. MUCHNICK

Isadore H. Y. Muchnick, Boston attorney, has announced that he will seek the Democratic nomination for the office of Attorney General in the September Primary. The Boston School Committeeman and former member of the Boston City Council has an exceptional record of professional and public service

since his graduation from Harvard Law School in 1932.

Entering political life as a candidate for City Councillor to represent the politically active Ward 14 of Dorchester, Mr. Muchnick won his first contest and had no opposition in two subsequent campaigns for re-election. In 1947 he defeated several strong candidates when he displayed significant city-wide strength in winning election to the Boston School Committee.

Mr. Muchnick has attracted a competent and experienced group who will direct his primary campaign. In his opening campaign statement, Mr. Muchnick said, "We have begun this campaign to restore vigorous administration to the people's chief law enforcement office. Two years ago the Democrats of Massachusetts were urged by the present incumbent to 'reward perseverance'. This perseverance in seeking office has not been translated into persistent service in the discharge of the obligations of office. An all-the-time, every-time candidate for public office has been a spare time, part time public officer. I ask all Democrats to join in nominating Isadore H. Y. Muchnick as Attorney General so that we may offer the voters of Massachusetts a candidate in November whose political and public record

Lissome Jackie Jordan, NBC television actress, appears on many of WBZ-TV's dramatic video shows. She has been seen most recently on the "Lights Out" and "Martin Kane, Private Eye" programs.

Local Women At Red Cross D. P. Canteen

Mrs. Clara Biasdale, Mrs. John H. Campbell, Mrs. J. H. Berry and Mrs. Herbert W. Reed joined the twenty-five Canteen workers at Red Cross Headquarters, 17 Gloucester street, Boston, at noon on Wednesday April 26. After being briefed by Mrs. Richmond of Winchester, Canteen chairman for the Chapter, drove in Convoy to Commonwealth Pier to serve coffee, doughnuts, milk and cookies to the 1302 displaced persons who came in on the U. S. Army Transport Heintzelman.

All the children under seven were born in Concentration Camps. The faces of many young couples showed the suffering they had been thru.

Mrs. Berry was serving two little boys and went with a cup of coffee to the mother, who was busy with an official, and some cookies for two smaller children. Later the boys came back with a tiny pair of mittens, not an inch long, their mother had knit on Sewing needles. Such a dainty gift but most pathetic. These people all know the Red Cross. Every worker is in uniform and they gather around the "Dollies" as the serving wagons are called, with great pleasure and patience.

guarantees that the rights of all, big and small, will be protected by a competent, full-time people's lawyer."

Announcement of a state-wide committee and various county and city groups will be made by the Muchnick organization during coming weeks. Active groundwork has been carried on in all sections of the Commonwealth for the past several months according to members of the Muchnick organization.

Arlington Drops Key Game At Watertown

Defensive Lapses Hurt As Losers Drop From League Top

Arlington high's diamond representatives, seeking the school's second Suburban League title of the school year, received a setback at the hands of Watertown high Monday afternoon as they dropped a 6-2 decision. Watertown thus takes over first place in the league and remains the only unbeaten entry.

Ace Neil Corbett was on the mound for Arlington, with Joe Farry making his second start of the season for Waltham. Three hits scored Jack Chaschodjian's double and a single by Dick Shannon sent another tally across in the second.

Arlington tied the score in the third on a single by Art Noyes, two walks, and an error. Noyes and Corbett scored.

Watertown moved ahead in the fourth as Arlington's defense cracked wide open and three infield rollers went for errors to allow Barry to score.

In the eighth, Watertown put the game on ice on three singles, a pass and a balk.

Shannon led with three hits and two runs. Barry allowed only four hits. Arlington's Don O'Brien was unable to appear at third base, due to a tonsil operation.

Arlington Bangs Out Victory 15-4

Continuing their winning streak, Arlington outslugged Rindge Tech by a 15-4 score at Cambridge on Friday evening to remain at the top of the Suburban League.

Tiny Hill, football star, was on the mound for Arlington, and he had little trouble, coasting behind a five run third inning.

Paul Bilafer drove out a long home run, as did Jackie Meehan, and Bilafer added a double to his day's work.

Hill halted Rindge completely until the seventh, when the home team scored all four runs. Arlington had a 10 run lead at the time, and they added two more in the 8th and another trio in the ninth, while Hill steadied down to halt Rindge in the last two innings.

Parmenter school pupils captured the Boston Globe WCOP weekly quizdown contest here Saturday, defeating the team from Brackett School by a 795-890 score.

The event was held in the auditorium of the Brackett school, with Nelson Bragg as Master of Ceremonies and Quizmaster.

An all school band led by Augustus Mazzocca of Arlington, played a concert before the program got under way.

Winchester Finally Wins, Takes Concord

Winchester's harasser baseball nine finally broke into the win column on Tuesday with a 4-3 victory over hapless Concord at the latter's diamond.

Spotting the visitors three runs in the opening inning, Winchester fought an uphill battle, tying the score in the fifth and finally putting across the winning run in the eighth.

Parker Symmes, Winchester hurler, won his own game in the eighth when he hit safely to score with the deciding marker.

Symmes, who has been bothered by control all spring, walked seven but he fanned nine and allowed only four scattered hits. After the first inning, he was airtight.

Winchester last week lost a 21-11 contest to Melrose high for their worst defeat in years.

Arlington Drops Second Game To Woburn 6 to 2

Dropping its second game in two days, Arlington high's diamond forces went down before Woburn at the local field on Tuesday afternoon, 6-2. Two three run rallies by Woburn in the fifth and ninth innings sewed up the contest.

Arlington's bats were dormant during much of the game, a double by Cosgrove being the only extra base hit in the five garnered by the Spy Ponders.

Woburn chalked up only four safeties off Shirley, but they bunched them with walks and errors to score their runs. Shirley fanned seven.
